

TOOLKIT FOR PACKING PERIOD SUPPLIES

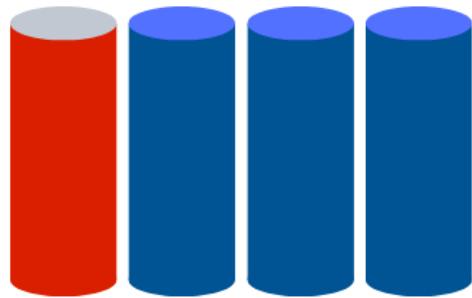

The Red Cart Project provides free access to period products in the bathrooms of local schools in Mooresville Graded School District and Iredell-Statesville Schools, serving over 2,500 students. Period poverty is very real and is a barrier to students being able to attend school because they lack the proper and safe products to deal with their period during school hours.

If your group would like to make a positive difference in the lives of students who menstruate, you can do a supply drive of pads and pack them with blue bags and labels that we provide you.

This Sponsorship Toolkit will provide you with:

- **Quick step by step instructions**
- **Quick Guide to get started**
- **Collection Sign for Bins/Boxes**

1 in 4 students who menstruate lose class time due to lack of menstrual health products.

More information about the program can be found on mooresvillekindnesscloset.org or by emailing redcartNC@gmail.com.

To support this local effort, donations can be made to United Way of Iredell County at <https://bit.ly/RedCartProject>.

THANK YOU FOR YOUR SUPPORT!

Quick Guide to get started

- Organize your group of volunteers to participate.
- Set a location and time to pack your collected period supplies.
- Register your group to let us know your intentions to do a supply drive. www.mooresvillekindnesscloset.org/event. We will be in touch to provide specific bags and labels. Please do not pack in bags other than what we provide.
- Appoint a person to deliver the packed bags to the Christian Mission for the Mooresville Kindness Closet and Red Cart Project. They are open Tuesday - Friday 9-6. (Mooresville Kindness Closet has our storage unit at Christian Mission.)
- Pack blue bags in boxes of quantities of 50 and 100 and use the pink label on the outside of the box to show the quantity inside.
- Post any photos on social media #mooresvillekindnesscloset, #redcartNC, #Periodpoverty.

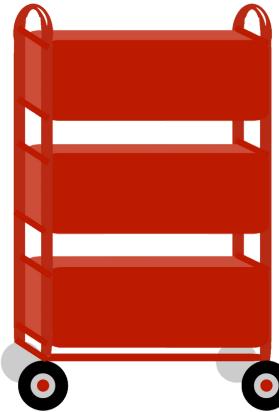

After registering, we will give you labels and blue bags to pack pads in.

Preferred products
to collect.
Always brand thin pads.
